Cás deimhnithe COVID-19

A thuismitheoir/a chaomhnóir,

Is mian liom cur in iúl duit go ndearnadh tástáil Covid ar bhall foirne agus bhí toradh dearfach air.

Lean mé an chomhairle is déanaí ón tSeirbhís Sláinte Poiblí (PHA). Tá na seomraí áirithe sa scoil atá bainteach leis an chás druidte fá choinne dianghlanta.

Creideann muid go raibh teagmháil fhánach ann idir an ball foirne agus roinnt daltaí i mBliain 8. Labhair muid le PHA faoi seo agus dhearbhaigh siad linn nach raibh riosca sa teagmháil seo agus gur féidir leis na daltai freastal ar scoil go fóill. Ar ndóigh má bhíonn aon cheann de na trí shiomptóm ar do pháiste, coinnigh sa bhaile iad agus lean comhairle PHA.

Tuigim go mbeidh imní ar na tuismitheoirí, daltaí agus an scoilphobal. Is mian liom cur in iúl duit go bhfuil gach réamhchúram déanta againn. Tugann muid tús áite do shláinte na ndaltaí agus na mball foirne sa scoil. Leanfaidh mé liom ag coinneáil súil ghéar ar an scéal agus coinneoidh mé ar an eolas thú.

I wish to inform you that a member of our school community has tested positive for Covid-19.

I have followed the most up-to-date advice from the Public Health Agency (PHA). We have ensured that the affected area in the school remains closed for a deep clean.

We believe that there may have been some casual contact between the staff member and some Year 8 pupils. We have spoken to PHA doctors and they assure us that this does not constitute a risk and that the children can attend school. Of course if your child displays any of the 3 Covid symptoms they should be kept at home and you should follow PHA advice.

I appreciate the concerns of parents, pupils and the wider school community and wish to reassure you that every precaution has been taken. Ensuring the safe return of pupils and staff to school is our absolute priority and I will continue to monitor this situation carefully and keep you informed.

Is mise le meas,

Micheál Mac Giolla Ghunna
